

One person's junk is another person's shelter.

Please help us build a youth shelter for Jackson County's homeless kids.

We need your clean and gently used: furniture, small household appliances, home & garden items, as-new clothing, sporting equipment, working electronics, and other household items to sell at our Benefit Sale. All proceeds will be used to build a 17-bed shelter in Medford.

Interested in volunteering before, during or after the sale? We need you! Please call 951-3841, email volunteeringheart@yahoo.com or visit our website at heartswithamission.org
